Christmas Dinner

Our Christmas Dinner was a great success yesterday and the children loved sharing their crackers with their meal.

I would like to thank our fantastic kitchen team who served 528 delicious dinners for the Infant and Junior Schools.

Parent Workshop

A big thank you to everyone who came to the parent workshop on positive behaviour strategies in school. The meeting was very highly attended and I would like to thank Mrs McLean and Mrs Evans for organising this event. The final updates are being made to our Positive Behaviour Strategy and I will let you know when it's published on our school website.

Christmas Post-box

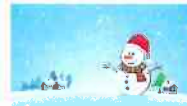

The Christmas post box is now in the school entrance by the office. Children can post their Christmas Cards and they will be delivered to for them. Please make sure that both the first and second names of the children are on the envelopes and the name of the class to ensure safe deliveries.

Children in Need

I am delighted to say that Mildmay Infant and Nursery School raised an amazing £628.00 for Children in Need. It was lovely to see the children wearing their pyjamas to school and the cake sale was very popular. Thank you to our Friends of Mildmay and Mrs Jones for organising the cake sale and to everyone who donated and bought cakes in support of this worthy cause.

Snow!

We always aim to stay open in snowy weather but we do have to assess

on the day if we can safely open the school. This decision is always made with Mildmay Junior School. In the event of snow we will inform you by the school text message service and the school website if we have to close. We kindly ask that you do not phone the school to enquire if it is open as we need to keep the phone lines open for staff to let us know if they are able to get in to work.

In order to give our site staff time to clear the school grounds we ask that children are dropped at the office entrance to the school and the teachers and LSA's will escort the children to class and help change their wellies! To ensure children can enter the school quickly and safely parents will not be permitted into the school and we appreciate your cooperation in this matter. Unless we inform you otherwise the children can be collected from their class doors at the end of the day.

Film Night

I would like to thank the Friends of Mildmay Committee and Mrs Foley for organising the recent Film Night. The children had a lovely time and really enjoyed the films. The event was very popular and we raised a brilliant £894.12 for the school.

Medicine

If your child has prescribed medication that needs to be administered during school hours please bring it to the office when you drop your child off at school. A permission form will need to be completed to give your consent for us to administer the medication.

Unfortunately, we are not able to give any medication that has not been prescribed. For safety reasons please under no circumstances send medication into school in your child's book bag. Thank you.

Car Parking

There continues to be parents parking in the school car park which is a concern.

Only parents who have permission from myself should be using the school car park. We need to ensure that drop off and pick up times are safe for all children. Thank you.

Poppy Appeal

Thanks to your generosity we sold all the Poppies we had and raised a fantastic £98.55. Thank you to everyone who supported this worthy cause.

It is a very busy time of year so year so please cast your eye over the diary dates below which cover the events until the end of term.

I look forward to seeing you at our Christmas Assemblies next week.
