World Book Day

World Book Day was a great success and the children (and staff) looked fantastic. Thank you for all the effort put into the children's costumes; I think it was the best year ever. I would like to thank everyone who donated books to help us update our library and for the £94.70 in donations. I am looking forward to seeing our new library in action and I know the children will love the books.

Parent Consultation Evenings

Thank you to everyone who attended the Parent Consultation sessions. As usual the meetings were very well attended despite having to be rescheduled due to the bad weather. Your contribution to your child's learning is really appreciated. It was lovely to catch up with so many of you during the evenings.

Class Assemblies

Thank you to everyone who attended Jolly Postman and Gruffalo Class Assemblies. These events really do show how much the children have learnt over the year so far and it is a pleasure to see how much they enjoy their learning.

Snow Closure

It is hard to believe having spent lunchtime with the children in the gorgeous sunshine with no coats on, that snow is forecast over the weekend! As I have said previously, we always do our very best to stay open but we will risk assess on the basis of how many staff are able to get to work and the conditions of the roads and school site. We will keep you informed via the text messaging service.

Smoking and Vaping

Please be aware that smoking and vaping are not permitted on the school premises including the school playgrounds. Thank you for your co-operation.

Car Park

As you are aware the school car parking area gets very congested at the start and end of the school day. The safety of your children is paramount so I would ask that you hold your child's hand and keep them with you at all times when on the school premises.

Maths & English

If you would like to improve your maths and English skills, ACL Essex offers free courses from beginners to GCSE. You can learn in the classroom at one of our centres, or online. If you need a confidence boost with speaking, reading and writing or perhaps with numbers and calculations then please get in touch.

There is still time to enrol on a free English or maths course with ACL, get a qualification by the summer and then enrol onto a GCSE starting in September.

For more information call 0345 603 7635 or visit www.aclessex.com/english-maths-contact-us-form/
