

Thank you to everyone who completed the questionnaire about your child's experiences joining Reception at Mildmay. Mrs Foley has reviewed the feedback and was delighted that 35 of you completed the forms.

We were really pleased that 100% of the people who returned the questionnaire feedback said that their child feels safe or mostly safe in school.

89% of you feel you have developed a good relationship with the Class Teacher. We realise this can be difficult for those of you using a child minder

74% of you feel your child has settled confidently into school, with the other 26% feeling mostly settled. None of you feel that your child has not settled.

It was great to get some comments from you too. We really appreciate your positive responses.

“he absolutely loves school and has settled in really well” **“staff very helpful and reassuring”**

“Teachers & LSAs are great at helping to settle my child in the morning”

“he is becoming more confident and is proud to show me his work”

“enjoys her time at school”

What we will do next for you!

It is very important for us to get transition from pre-schools right! We appreciate your ideas and we review the procedure yearly. Some of your ideas which we will look into are:-

- Our intake meeting is very popular and 93% of people who attended said they found it useful. It has been suggested that we have more information on daily routines and a checklist of 'what to buy'. We will arrange this for future intake meetings.
- Communication with parents is very important to us and we operate an 'open door' policy, where by Class Teachers are available at beginning and end of each day for a quick chat or to book a longer appointment if necessary. If you require more information on how to support learning at home, please speak to your class teacher for ideas or check our website.
- 91% of you have looked at our website for information. We shall try to ensure this is kept up to date and update it regularly with information about your child's learning.
- 94% of you felt the 'Welcome to Reception' leaflet was useful and found it easier to refer back to as it is now online.
- Some of you have requested more information on the school's expectations, we are currently reviewing how we can share this information clearly with you.
