### Wonderful!

I have been asking the children during assembly time to think about the wonderful things they would like to achieve before the end of the school year. They came up with some fantastic ideas including helping with the cleaning and cooking at home! I explained to the children that the wonderful things they do every day make me very proud and I have had a lot to be proud of over the last couple of weeks.

### Yr 1 Assembly

The Year 1 Assembly was a pleasure to watch and I know Mrs Jones enjoyed it as much as I did. It was a really happy performance that showcased the children's many talents and excellent behaviour. Thank you to so many of you who came to watch.

### Mini Olympics

Our Year 2 children had a fantastic afternoon taking part in the Mini Olympics at Melbourne Park last week. The children showed great sporting skills and teamwork throughout the activities. A special congratulations goes to Holly B in Percy Park Keepers Class for winning the silver medal for the girls out of all the schools who took part on the day. Again thank you to all the parents who attend the event to support the children.

### Sports Day

We were so lucky with the weather for Sports Day and it was brilliant to see such high levels of participation and enjoyment from the children and the adults! I apologise that we were slightly later starting for the Reception classes and we will review this for next year.

Those of you who attended will have seen the activities were supported by Year 6 pupils from Mildmay Junior School. They did a fantastic job encouraging the children throughout the event.

### Internet Safety Day

On Thursday 5<sup>th</sup> July the children will be taking part in an age appropriate e-safety day. This session will be run by 'the Two Johns' and they will also be running a parent workshop on keeping your child safe online. The workshop will run from 6.00 – 8.00pm in the school hall. A letter has been sent out to you this week with a reply slip for you to confirm if you would like to attend.
