

## Transition to Junior School update

The children are becoming very excited about moving up to Year 3 and have had lots of opportunities to become more familiar with the Junior School and the current Year 3 children and staff.

We have enjoyed having singing assemblies and break times at the Junior School over the last few weeks. We have also had two sessions where we worked with the Year 3 children on an activity, one at the Infants and one at the Juniors. We have even taken part in a PE session with a Year 3 class and teacher.

On **Tuesday 10<sup>th</sup> July** we are going to have lunch in the Junior School hall, where we will meet the midday staff and learn about the routines that take place at lunchtime. We will then have lunchtime play on the Junior School field before returning to the Infants for our afternoon learning. The children will be well supervised throughout lunchtime by the Year 2 and Year 3 teachers and midday assistants from both schools. Please note that the children will order their lunch as normal on that day, either choosing a school dinner or bringing in a packed lunch from home.

Our final transition activity will take place on Wednesday 18<sup>th</sup> July when the children will spend time at the Junior School with their new teacher and in their new classroom.

Please let us know if your child still has any particular worries or concerns about their move to the Juniors so that we can continue to address these before the end of term.
