

WHERE LEARNING TAKES FLIGHT

Mildmay Infant and Nursery School Newsletter

Christmas Assemblies

It has been a wonderful week of fabulous Christmas Assemblies in school. The children shone in every performance and made everyone really proud. It was a pleasure to see everyone enjoy themselves.

Christmas Collections

THE CHROMOSOME 18
REGISTRY & RESEARCH SOCIETY

Thank you so much for your generous donations for the two charities we are supporting this year. You raised an amazing £588.23 which will be divided between The Chromosome 18 registry and research centre and the Outstretched Hands of Romania.

Chelmsford Cathedral Carol Service

The children from our Resource Base attended the Family Service for Deaf and Deaf Blind People at Chelmsford Cathedral on Friday 7th December. They performed with real enthusiasm and had a very positive response from the audience. Well done.

Goodbye

We say goodbye to Miss Mill at the end of the term who has been teaching in Hungry Caterpillar Class while Miss Francis has been away. I would like to thank Miss Mill for her hard work and dedication during her time here and we look forward to seeing Miss Francis return in January.

Christmas Helpers

If any of our Friends of Mildmay members are free to come into school tomorrow to do a special job in preparation for next week; we would be very grateful. Please report to the school office and thank you in advance!

Non uniform reminders:

Monday 17th December: Party Clothes / Christmas Jumpers - voluntary donation for Save the Children

Tuesday 18th December: Non uniform and Christmas Jumpers can be worn again but no donation.

Friday 4th January 2019: Non uniform – no donation.

Please ensure clothes and footwear are practical as the children will be outside at playtime and lunchtime.
