

# Mildmay Infant and Nursery School

## Newsletter

### Snow Closure

We always aim to stay open in snowy weather but we do have to assess on the day if we can safely open the school. This decision is always made with Mildmay Junior School. In the event of snow we will inform you by the school text messaging service and the school website if we have to close. We kindly ask that you do not phone the school to enquire if it is open as we need to keep the phone lines open for staff to let us know if they are able to get in to work.

In order to give our site staff time to clear the school grounds we ask that children are dropped at the office entrance to the school and the teachers and LSA's will escort the children to class and help change their wellies! To ensure children can enter the school quickly and safely parents will not be permitted into school and we appreciate your cooperation in this matter. Unless we inform you otherwise the children can be collected from their classrooms at the end of the day.

### Car Parking

I have noticed that there continues to be parents parking in the school car park which is a concern. The school grounds get extremely congested before and after school and the safety of the children is paramount. Only parents with permission from myself should be using the school car park. We need to ensure that drop off and pick up times are safe for all children. Thank you.

### Absence & Lateness

If your child is absent from school please ensure that you telephone the school office by 9.00am on the first day of absence to let us know the reason. When your child returns to school please provide a letter for the teacher explaining their absence. If illness lasts for more than three days please telephone us again.

The school day starts at 8.55am. Children should be in school promptly by this time to start their day. If your child has an appointment in the morning before coming in to school and requires a hot school dinner please can you telephone the school office to let them know so that a meal can be ordered.

### NHS App

Many of you are already aware of this, but for those who are not....Mid Essex Child Health (childhood illnesses) App is free and can be downloaded onto Android or Apple.
